

14 November 1968

MEMORANDUM FOR THE RECORD

Morning Meeting of 14 November 1968

DD/I reported that Lehman has all but completed arrangements for intelligence service to the President-elect's staff and that he may return to Headquarters as early as this afternoon.

25X1 [REDACTED]

DD/I reported that Task Force [REDACTED] is negative.

Godfrey indicated that Husak's speech to the Czechoslovak Party plenum suggests no significant changes in the leadership.

DD/ONE provided the Director with General Carroll's proposed alterations of the Southeast Asia Estimate and advised that there will be a lengthy Army and Air Force dissent to the central thrust of the Estimate. DDCI advised the Director that during the USIB meeting he will propose the elimination of the Conclusions section of the Estimate.

[REDACTED]

Carver drew attention to last night's Huntley-Brinkley film clip on enemy utilization of Cambodia for supplying forces in South Vietnam.

Maury noted that about three fourths of Senator Jackson's North Atlantic Assembly speech was based on Agency material.

25X1 [REDACTED]

DD/P drew attention to a report of Brezhnev's hard line with French CP leaders during their recent visit to the Kremlin.

25X1

DDCI drew attention to the cable containing a statement by the Indonesian Ambassador to Hanoi concerning North Vietnamese exploitation of the bombing halt.

The Director inquired whether there should be any follow-up in connection with Deputy Secretary Nitze's concerns about  as expressed at yesterday's NRO Executive Committee meeting. DD/S&T recommended that we wait several days to allow Mr. Nitze to continue to do his homework 

25X1

Goodwin advised that Richard Hottelet telephoned to inquire whether he could be sent the FBIS Middle East regional book. DD/I will provide guidance to Goodwin later in the day.
